

Key Word Sign™  
Australia

# Getting Started with Key Word Sign Training

Key Word Sign can be used to support individuals with communication difficulties to understand and get their message across to others. In this workshop, you will learn the principles of Key Word Sign and gesture, who it can be used with and how it can be used alongside other ways of communicating.

You will understand how Key Word Sign is different to Auslan, the language of the Deaf Community in Australia.

No previous signing experience is necessary.

Getting Started with Key Word Sign Training is itself a pre-requisite for all other training courses.

Within the training an opportunity to practice using speech and signs together during interactive activities, building your skills in a safe and fun group environment.
