

Key Word Sign
Australia

Basic Key Word Sign Workshop

Key Word Sign can be used to support individuals in overcoming communication barriers, helping people understand and convey messages more effectively.

In this workshop, you will learn:

- **Up to 80 signs and natural gestures**
- **The principles of Key Word Sign (KWS) and gestures and who can benefit**
- **How KWS can be used alongside other ways of communicating**
- **How KWS is different to Auslan, the language of the Deaf community in Australia**

**Tuesday, 25
February 2025**

**9.30am-4.00pm
(lunch provided)
The Disability Trust
5 Edney Lane,
Springhill NSW
2500**

\$350
